I can't get my feet up off the edge	I can't (14) the best in all of this
I kind of like the little rush you get	But I'm (15) looking out for you
When you're standing close to death	Because you're the one I miss
Like when you're driving me crazy	And it's driving me crazy
Hold on as we crash (1) the earth	Bite (16) lips, the word's a robbery
A bit of (2) (3) (4) you suffer	Do you grin inside? You're (17) me
	All along we (18) of forever
(5) you're hurt, for real	I (19) of think (20) we won't get better
Because you are driving me crazy	It's the longest start, but the end is not too far away
Bite your lips, the word's a robbery	Did you know? I'm here to stay
Do you grin inside? You're killing me	We'll stagger home (21) midnight
All (6) we talked of forever	(22) arm-in-arm in the stairwell
I kind of think that we won't get better	We'll fall apart on the weekend
It's the longest start, but the end is not too far away	(23) nights go on and on and on
Did you know? I'm here to stay	We'll (24) (25)
We'll (7) home after midnight	(26) midnight
(8) arm-in-arm in the stairwell	Sleep arm-in-arm in the stairwell
We'll (9) apart on the weekend	We'll fall apart on the weekend
These (10) go on and on and on	These nights go on and on and on
I can't keep your voice out of my head	(bis x2)
All I hear are the (11) echoes of	
The (12) you said	
And it's driving me crazy
