

Fill in the gaps

I can't get my (1) up off the edge	I can't find the best in all of this
I kind of like the little rush you get	But I'm always looking out for you
When you're standing (2) to death	(14) you're the one I miss
(3) when you're driving me crazy	And it's driving me crazy
Hold on as we crash into the earth	Bite your lips, the word's a robbery
A bit of (4) (5) (6) you suffer	Do you (15) inside? You're killing me
	All (16) we (17) of forever
When you're hurt, for real	I kind of (18) (19) we won't get
Because you are driving me crazy	better
Bite your lips, the word's a robbery	It's the (20) start, but the end is not too far
Do you (7) inside? You're killing me	away
All along we talked of forever	Did you know? I'm here to stay
I kind of think that we won't get better	We'll stagger home after midnight
It's the longest start, but the end is not too far away	(21) arm-in-arm in the stairwell
Did you know? I'm here to stay	We'll fall (22) on the weekend
We'll stagger home after midnight	(23) go on and on and on
Sleep arm-in-arm in the stairwell	We'll stagger (25) after midnight
We'll fall apart on the weekend	Sleep arm-in-arm in the stairwell
These nights go on and on and on	We'll fall apart on the weekend
I can't (8) your voice out of my head	These (26) go on and on and on
All I (9) are the (10)	(bis x2)
(11) of	
The darkest (12) you said	
And it's (13) me crazy
