Hey, Mr. (1)_ _ man play a song for It's not aimed at anyone, it's just escaping, on the run And but for the sky there are no fences facing I'm not sleepy and there is no place I'm going to And if you hear vague traces of (5)_____ reels Hey Mr. Tambourine man play a song for me of rhyme In the jingle jangle morning I'll come following you To your tambourine in time Though I know that evening's empire It's just a ragged clown behind Has returned into sand I wouldn't pay it any mind (6)_____ their shadow you're seeing that he's Vanished from my hand Left me blindly here to stand but still not sleeping chasing My weariness amazes me, I'm branded on my feet Hey, Mr. Tambourine man play a song for me I have no one to meet I'm not sleepy and there is no place I'm going to And the ancient empty street's too dead for dreaming Hey, Mr. Tambourine man play a song for me In the jingle (7)_____ morning I'll come following Hey, Mr. Tambourine man play a song for me I'm not sleepy and there is no place I'm going to you Hey, Mr. Tambourine man play a song for me Then take me disappearing In the jingle jangle morning I'll come following you Through the smoke rings of my mind Take me on a trip upon your magic swirling ship Down the foggy ruins of time My senses (2)_____ been stripped Far past the frozen leaves My hands can't feel to grip The haunted, frightened trees, out to the windy beach Far from the twisted reach of (8)_____ sorrow My toes too numb to step Wait only for my boot heels to be wandering Yes, to dance beneath the diamond sky I'm ready to go anywhere With one hand waving free I'm ready for to fade into my own parade Silhouetted by the sea, circled by the circus sands (3)_____ your dancing spell my way With all memory and fate I promise to go under it Driven deep beneath the waves Hey, Mr. Tambourine man play a song for me Let me forget about today until tomorrow I'm not sleepy and (4)_____ is no place I'm going to Hey, Mr. Tambourine man play a song for me Hey, Mr. Tambourine man play a song for me I'm not sleepy and there is no place I'm going to In the jingle jangle morning I'll come following you Hey, Mr. Tambourine man play a song for me Though you might hear laughing, spinning In the jingle jangle morning I'll (9)_____ following you Swinging madly across the sun
