## Thank You For The Music by Abba

## Fill in the gaps

I'm nothing special	so I say
in fact, I'm a bit of a bore	thank you for the music
if I tell a joke	the songs I'm singing
you've probably heard it before	thanks for all the joy they're bringing
but I (1) a talent	who can live without it
a wonderful thing	I ask in all honesty
cause everyone (2) when I start to sing	what would life be
I'm so grateful and proud	without a song or a dance what are we
all I want is to sing it out loud	so I say thank you for the music
so I say	for giving it to me
thank you for the music	I've been so lucky
the songs I'm singing	I am the girl with golden hair
thanks for all the joy they're bringing	I wanna sing it out to everybody
who can live without it	what a joy
I ask in all honesty	what a life
what would (3) be	what a chance!
without a song or a dance what are we	so I say
so I say thank you for the music	thank you for the music
for giving it to me	the songs I'm singing
Mother says I was a dancer before I could walk	thanks for all the joy they're bringing
mmhmm, she says I began	who can (6) without it
to sing long before I (4) talk	I ask in all honesty
and I've often wondered	what (7) life be
how did it all start	without a song or a dance (8) are v
who found out (5) nothing	so I say thank you for the music
can capture a heart	for giving it
like a memory can	to me
well, whoever it was	
I'm a fan
