

Fill in the gaps

Let's get (1)	the moon is on fire	(11) in the desert sky
And the (2)	are burning bright	He (12) have to pay his dues
A toast to the strutters	s	Make him cry
You drink for a while		(13) there is no truce
But tastes too bitter tonight		There will be no disgrace
So you (3)	(4) dawn of a new day	Catch him by the (15) dew
But just can't feel the joy		Follow his trace
And you sing a song for the new day		But maybe the devil is not who they say
Then you hear a voice		You find the devil lives in all of us
A (5)	from miles away	What if (16) is just a (17) he plays
The devil is on the loose		He (18) everybody's face he does
Hiding in the (6)	sky	Oh now (19) are on the loose
It's time (7)	_ he pays his dues	(20) in the desert sky
Make him cry		We (21) have to pay our dues
There will (8)	be a truce	Let us cry
We will not compromise		There will never be a truce
Catch him by the morning dew		Till the devil has no pride
Before sunrise		(22) him by the mornig dew
The night is no longer black		Before sunrise
For the ones in search of a party tonight		The (23) is on the loose
A toast to the hunters		Bleeding in the (24) sky
The glass is shattered		He will have to pay his dues
With (9) red blood in my eyes		(25) him cry
Never ask the question		This time there's no truce
Of who and why we h	nave to obey	(26) will be no disgrace
(10) is not allowed		Take him by the morning dew
It is just how the game is played		Follow his trace
It's the devil hunters'	way	
The devil is on the loc	ose
