Fill in the gaps

Something in the water by Brooke Fraser

I wear a demeanor	Oh I sing, oh I sing, oh I sing
Made of bright (1) things	Give me long (9) in the sun
What she wears, what she wears	Preludes to the nights to come
Birds singing on my shoulder	Previews of the mornings laying in all lazy
In harmony it seems	Give me something fun to do
How they sing, how (2) sing, how (3)	Like a life of loving you
sing	Kiss me quick now babe
Give me nights of solitude	I'm still crazy over you
Red wine, just a glass or two	There's something in the water
Reclined in a (4) on a balmy evening	Something in the water
I'll (5) that it's no thing	There's something in the water
That's skipping my heart when I think	That makes me love you like I do
Of you thinking of me, babe,	Give me nights of solitude
I'm crazy over you	Red wine, just a glass or two
There's something in the water	Give me something fun to do
Something in the water	There's something in the water
There's something in the water	Something in the water
That makes me love you like	There's (10) in the water
I've got halos made of summer	That makes me love you like I do
