

## Fill in the gaps

## We take care of our own by Bruce Springsteen

I've been knocking on the door	Where're the eyes, the eyes with the (11) to see
That holds the throne	Where're the (12) that run over
I've been (1) for the map that leads me	(13) mercy
home	Where's the love (14) has not forsaken me
I've (2) stumbling on good hearts	Where's the work that'll set my hands, my soul free
Turned to stone	Where's the spirit that'll reign, reign over me
The road of good intentions	Where's the promise (15) sea to
Has gone dry as a bone	(16) sea
We take (3) of our own	Where's the promise (17) sea to
We (4) care of our own	(18) sea
(5) this flag's flown	Wherever this flag's flown
We take care of our own	(19) flag's flown
(6) (7) to New Orleans	Wherever this flag's flown
From the muscle to the bone	We (21) care of our own
From the (8) shack to the Super Dome	We take care of our own
There ain't no help, the cavalry stayed home	Wherever (22) flag's flown
There ain't no one hearing the (9) blowing	We take care of our own
We take care of our own	We take care of our own
We take care of our own	We take care of our own
Wherever (10) flag's flown	Wherever this flag's flown
We take care of our own	We take (23) of our own
