There's sex in (2)_____ chemicals
Oh, let's go
You're the (3)_____ way I (4)_____
To escape the extra ordinary
This world ain't for you
And I know for damn sure (5)_____ world ain't for me
Lift off and say goodbye
Just let your fire set me free
Moonshine, take us to the stars tonight
Take us to that special place
That place we went the last time, the last time
I know I was with you last (6)_____
But it feels like it's been so long
And everybody that's around they knows
That I'm not myself when you gone
It's good to see you again
Good to see you again
On top of the world

Is where I stand when you're (7)_____ in my life
Life's not so bad when you're way up this high

Take us to that special place
That place we (8)_____ the last time, the last time
Moonshine, your love it (9)_____ me come alive
Take us to that special place
That place we went the last time, the last time
Don't look down, don't you never look back
We are not afraid to die young and live fast
Give me good times, give me love, give me laughs
Let's take a ride to the sky
Before the night is gone
Moonshine, take us to the stars tonight
Take us to that special place
That place we went the last time, the last time
Moonshine, your love it makes me come alive
