Hello, you know	Is where I stand when you're back in my life
You look even better than the way you did not before	Life's not so bad when you're way up this high
And the (1) that you kissed my lips you know	Everything is alright, everything is alright
I started to (2) wonderful	Moonshine, take us to the stars tonight
It's something incredible	Take us to that special place
There's sex in your chemicals	That place we (5) the last time, the (6)
Oh, let's go	time
You're the best way I know	Moonshine, your love it makes me come alive
To escape the extra ordinary	Take us to that special place
This world ain't for you	That place we went the last time, the last time
And I know for damn sure this world ain't for me	Don't look down, don't you never look back
Lift off and say goodbye	We are not (7) to die young and live fast
Just let your fire set me free	Give me (8) times, give me love, give me laughs
Moonshine, take us to the stars tonight	Let's take a ride to the sky
Take us to that special place	Before the night is gone
That (3) we went the last time, the last time	Moonshine, take us to the stars tonight
I know I was with you last night	(9) us to that special place
But it feels like it's been so long	That place we went the last time, the last time
And everybody that's around (4) knows	Moonshine, your love it makes me come alive
That I'm not myself when you gone	Take us to that (10) place
It's good to see you again	That place we went the last time, the last time
Good to see you again
