Moonshine by Bruno Mars

Hello, you know

You (1)_____ even better than the way you did not before

And the (2)_____ that you kissed my lips you know I started to feel wonderful

It's something incredible

There's sex in your chemicals

Oh, let's go

You're the best way I know

To escape the extra ordinary

This (3)_____ ain't for you

And I know for damn (4)_____ this world ain't for me

Lift off and say goodbye

Just let your fire set me free

Moonshine, take us to the stars tonight

Take us to that special place

That place we went the last time, the last time

I know I was with you last night

But it feels like it's been so long

And everybody that's around they knows

That I'm not myself when you gone

It's good to see you again

Good to see you again

On top of the world

Is where I stand when you're (5)_____ in my life

Life's not so bad when you're way up this high

Everything is alright, everything is alright

Moonshine, take us to the stars tonight

Take us to that special place

That place we went the last time, the last time

Moonshine, (6)_____ (7)_____ it makes me come alive

Take us to that special place

That place we went the last time, the last time

Don't look down, don't you never look back

We are not afraid to die young and live fast

Give me good times, (8)_____ me love, give me laughs

Let's (9)_____ a ride to the sky

Before the night is gone

Moonshine, take us to the stars tonight

Take us to that special place

That place we went the last time, the last time
