

If I told you

## Fill in the gaps

In a moment, I know that everything could change

## Thinking about you by Calvin Harris

That this couldn't get better baby	And I know that my life would never be the same
And your heartbeat	You're the only one that's making sense to me
t lets me know you feel the same	When I (14) my eyes, you're the one I see
can hold you	There's no other way I could ever be
(1) you (2) until you fall asleep	Without you baby
Never worried	Now everything I do, is all for loving you
(3) I can give you (4) you need	It's not (15) (16) we
Now (5) I do, is all for loving you	(17) to
t's not something that we (6) to	No other way to say, I need you every day
No (7) way to say, I need you every day	And now I'm going to change my ways
And now I'm (8) to change my ways	And it's a part of you, I never want to lose
And it's a part of you, I never want to lose	I'll do (18) you (19) me to
'll do anything you (9) me to	Like any other day, I know I'll (20) a way
Like any other day, I (10) I'll (11) a way	And if ever I'm (21) you'll say
And if ever I'm alone you'll say	I'll be thinking about you
'll be thinking about you	I'll be thinking about you
'll be thinking about you	I'll be thinking (22) you
'll be thinking about you	I'll be thinking (23) you
'll be thinking about you	I'll be (24) about you
'll be thinking about you	I'll be thinking about you
'll be (12) you	I'll be thinking (25) you
'll be thinking about you	I'll be thinking (26) you
'll be thinking about you
