

## Fill in the gaps

## Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days	Draw your own lines
When it was safe to (1) awake	While (16) hope, there's love
We designed a land	We need to be this world
Where every child would like to stay	We have the power to control
With no fear of heights	We need to be this world
We climbed up the tallest tree	So (17) on, (18) be scared, we
With a better view	are taking off
We (2) the power to control	Because without love we'll never be the same
The (3) of a place we've (4) only	Because (19) hope we'll never be strong
looking for	You need to fight for life for saving (20) soul
(5) up to us to build a new world	You need to fight for life for saving your soul
We need to be this world	You need to fight for life
So come on, don't be scared, we are taking off	Because (21) love
Because without love we'll (6) be the same	You need to fight for life
Because without hope we'll never be strong	Because (22) love
You need to fight for life for saving (7) soul	The rules of a (23) we've been only looking for
You (8) to (9) for life for	It's up to us to build a new
(10) your soul	
(11) (12) (13) step	
To (14) the (15) someone
