We can't love, not like this		Never loved, no you never loved me
You broke me down, do I even exist?		After all that I gave, I did for you boy
After everything		I'm trying to keep the peace
Give you everything, I lost everything		We become a nightmare
Love is so (1) now		Ruining my sleep
I don't wanna run no more		Pain in my right ear
Can't (2) in all the (3)	_ that I did	Saying s*** me till
for you		I throw a spanner in the (6) and they leak
And I don't wanna hurt no more		Oh what a dream
Oh my heart, It must have been too big for you		You ain't got my soul
So caught up in the love I felt for you		Judge a book by the cover
I burned down, like a flame I held for you		When I saw you in the book
But it never was enough, I never got (4)	love	Managing my love
I loved you so much but you never gave a f***		You always been my row
Never loved, no you never loved me		And now I'm left back, feeling kinda cold
After all the love that I gave to you boy		We can't love, not like this
Never loved, no you never loved me		You broke me down, do I (7) exist?
Never loved, no you never loved me		After everything
Gave it all I had, gave it all I could		Give you everything, I (8) everything
Got me feeling ways I probably never should		Love is so lonely now
Could have been my best performal of the show		I don't wanna run no more
But we'll never know, now we'll never know		Can't believe in all the shit that I did for you
I guess I remember our first date		And I don't wanna hurt no more
Never thought I'd ever say I (5) you		Oh my heart, It must have been too big for you
You can't probably hear me because I'm far away		So caught up in the love I felt for you
You could only seen or love me yesterday		I burned down, like a flame I held for you
I don't wanna run no more		But it never was enough, I never got your love
Can't believe in all the s*it that I did for you		I loved you so much but you never gave a f***
And I don't wanna hurt no more		Never loved, no you (9) loved me
Oh my heart, It must have been too big for you		After all the love that I gave to you boy

I burned down, like a flame I held for you		Never loved, no you never loved me
But it never was enough, I never got your love		After all that I gave, I did for you boy
I loved you so much but you never gave a f***		Never loved, no you never loved me
