

## Fill in the gaps

| How you (1) I (2) when you call my                   | It's enough to vision                      |
|--|--|
| name   | Of you that's playing on my mind           |
| You got me confused by the way I change              | Saying I, I love what you do to me         |
| How you think I feel when you call my name           | Need you to stay with me                   |
| My name, say my name baby                            | I, I love you too much to let go           |
| Yes I love you say                                   | How you think I feel when you call my name |
| For the way I know                                   | You got me confused by the way I change    |
| We've been apart                                     | How you think I (9) when you call my name  |
| It's an endless (3) of poison                        | My name, say my name baby                  |
| Arrow to my heart                                    | How you think I feel (10) you call my name |
| Saying I, I love what you do to me                   | You got me confused by the way I change    |
| Need you to (4) (5) me                               | How you think I feel when you call my name |
| I, I love you too much to let go                     | My name, say my name baby                  |
| How you (6) I feel when you call my name             | When you call my name                      |
| You got me confused by the way I change              | When you call my name                      |
| How you think I feel when you call my name           | Say my name baby                           |
| My name, say my name baby                            | W hen you call my name                     |
| How you think I (7) when you call my name            | When you call my name                      |
| You got me (8) by the way I change                   | Say my name baby                           |
| How you think I feel when you call my name           |  |
| My name, say my name baby                            |  |
| It's a constant thought of my baby taking up my time |  |
