

Fill in the gaps

There's (1) on the mountain	The innocence I need
And fog in the street	Cold winter nights, cold (12) dreams
Flickering (2) in the room	Freezing the heat in my heart - it's my taste of freedom
Hear the church (3) ring	Cold (13) nights, cold (14)
See the children playing	dreams
I (4) their pure delight	Chill me and (15) me apart - cold winter dreams
And the snow is falling	The (16) seems so clear
Taking me away	Like a wonderful diamond
Cold (5) nights, (6) winter dreams	Can't (17) there's meanness
Reflecting the sound of my (7) it's my taste of	Can't imagine one lie
freedom	But when I'm dead and gone
Cold winter nights, (8) winter dreams	And snow's pouring down
Don't try to (9) me apart - cold (10)	I'm buried and covered
dreams	Peaceful under millions of stars
Find myself in peace	Cold (18) nights, cold (19)
Warm from underneath	dreams
Wish you would be here	Reflecting the sound of my heart - it's my taste of freedom
In this magic scene	Cold (20) nights, (21) winter
I've escaped from reality	dreams
Dancing in the snow	Don't try to tear me apart - cold (22) dreams
Cold (11) sky gives me	Cold (23) nights, cold winter
