

Fill in the gaps

I saw the distance in your eyes
It didn't come as a surprise
But I've been wishing we can (1) it work
And we will try
I've never been good at good byes
I feel it's time to realize
Because I don't need your love
No, I can do much better
There's no sunshine only rain
When every choice turns out the same
There's no one else to blame
When love turns to pain
(2) there's nothing more to gain
And every hope just seems to fade
You know there is no way
When love turns to pain
Just one look and perfect smile
I asked you out
We took a ride
Since (3) day
We've been going down
And hit the ground
I never thought you had a blame
Guess there's no use asking why
Because I don't need your love
I can do much better
There's no sunshine only rain
When (4) choice turns out the same
There's no one else to blame

When love turns to pain Like there's nothing more to gain And every hope just seems to fade You know there is no way (5)_____ love turns to pain No I don't need you anymore Forget the words I said before It might not be OK But it's over now It doesn't matter You don't know what's right or wrong Speaking of conscience you (6)_____ none Don't wanna hear no more Because (7)_____ _____ you say makes it better When (8)_____ turns to pain (9)_____ love turns to pain When love turns to pain There's no sunshine only rain (10)_____ every choice turns out the same There's no one else to blame When love turns to pain Like there's nothing more to gain And every hope just seems to fade You know there is no way When love turns to pain When love turns to pain
