

There's no one else to blame

## Fill in the gaps

I saw the distance in your eyes	When (15) turns to pain
It didn't (1) as a surprise	Like there's nothing more to gain
But I've been (2) we can make it work	And (16) hope just (17) to fade
And we (3) try	You (18) there is no way
I've never been good at (4) byes	When love turns to pain
I feel it's (5) to realize	No I don't need you anymore
(6) I don't need your love	Forget the words I said before
No, I can do much better	It (19) not be OK
There's no sunshine only rain	But it's over now
When every choice turns out the same	It doesn't matter
There's no one else to blame	You don't know what's (20) or wrong
When (7) (8) to pain	Speaking of conscience you have none
Like there's nothing more to gain	Don't wanna hear no more
And every (9) just (10) to fade	Because (21) you say makes it better
You know there is no way	When love (22) to pain
When love turns to pain	(23) love turns to pain
Just one look and perfect smile	When love (24) to pain
I asked you out	There's no (25) only rain
We (11) a ride	When every choice turns out the same
Since (12) day	There's no one else to blame
We've been going down	When love turns to pain
And hit the ground	Like there's nothing (26) to gain
I never thought you had a blame	And every hope just seems to fade
Guess there's no use (13) why	You know there is no way
Because I don't need (14) love	(27) love turns to pain
I can do much better	When (28) turns to pain
There's no sunshine only rain	
When every choice turns out the same
