

## Fill in the gaps

We're both there at the same time	With all (6) love you're unprotecting
We both go	I'd hate to think of what you're collecting
Don't need to talk to each other	The novelty is worn
We got codes	You can't get it for nothing
(1) a bit too much to drink, say hello	So let's put (7) to bed
We're going to go home together	Put this to bed
We really should've known it right	Without crawling in (8) bed
But (2) your "no strings"	F*ck your "no strings"
And your "hey I'll ring"	And your "hey I'll ring"
But I'm, but I'm imagining things	But I'm, but I'm imagining things
No strings, going to hope we had twins	No strings, going to hope we had twins
Come on, come on, am I imagining something?	Come on, come on, am I imagining something?
You can't win, at all	You can't win, at all
The trouble with no strings	And the trouble with no strings
Is you can only fall	Is you can only fall
They're playing our favourite song	No more crawling in your bed
You come dance near me but not for (3)	
You know sometimes I think you're so immature	F*ck your "no strings"
Don't know what trip you're on	And your "hey I'll ring"
Don't even know if I'm the right sex	But I'm, but I'm imagining things
You don't even know if I'm the right sex, do you?	No strings, going to hope we had twins
F*ck your "no strings"	Come on, (9) on, am I imagining something?
And your "hey I'll ring"	You can't win, at all
But I'm, but I'm imagining things	And the (10) with no strings
No strings, going to hope we had twins	Is you can only fall
Come on, come on, am I (4)	_
something?	
You can't win, at all	
And the trouble with no (5)	
Is you can only fall
