Distance by Christina Perri

Fill in the gaps

The sun is (1) up the room
And I can hear you dreaming
Do you feel the way I do, right now?
I wish we would just give up
Because the best part is falling
Calling (2) but love
And I will make sure to keep my distance
Say I love you when you're not listening
And how long can we (3) this up, up, up?
Please don't stand so close to me
I'm (4) trouble breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
All my broken heartbeats
(5) I know you'll understand
(5) I know you'll understand And I will make sure to (6) my distance
And I will make sure to (6) my distance
And I will make sure to (6) my distance Say I love you when you're not listening
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up?
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I keep waiting
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I keep waiting For you to (7) me
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I keep waiting For you to (7) me And you keep waiting
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I keep waiting For you to (7) me And you keep waiting To save (8) we have
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I keep waiting For you to (7) me And you keep waiting To save (8) we have So I'll make sure to keep my distance
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I keep waiting For you to (7) me And you keep waiting To save (8) we have So I'll make sure to keep my distance Say I love you (9) you're not listening
And I will make sure to (6) my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I keep waiting For you to (7) me And you keep waiting To save (8) we have So I'll make sure to keep my distance Say I love you (9) you're not listening And how long can we keep this up, up, up?
