

Fill in the gaps

Lying in my bed I hear the clock tick	And darkness has turned to gray
And think of you	Watching through windows
(1) up in circles	You're wondering if I'm OK
Confusion is nothing new	Secrets stolen from deep inside
Flashback warm (2)	The drum beats out of time
Almost left (3)	If you're lost you can look and you will find me
Suitcases of memories	Time after time
Time after	If you fall I will catch you I'll be waiting
Sometimes you picture me	Time after time
I'm walking too far ahead	You said go slow
You're calling to me	I fall behind
I can't hear what you've said	The (6) hand unwinds
Then you say go slow	If you're lost you can look and you will find me
I fall behind	Time after time
The (4) hand unwinds	If you fall I will catch you I'll be waiting
If you're lost you can look and you will find me	Time after time
Time after time	If you're lost you can look and you will (7) me
If you fall I will catch you I'll be waiting	Time after (8)
Time after time	If you fall I will catch you I'll be waiting
If you're lost you can look and you will (5) me	Time (9) time
Time after time	(10) after time (bis)
If you fall I will catch you I'll be waiting	
Time after time	
After my picture fades
