

After my picture fades

## Fill in the gaps

Lying in my bed I hear the (1) tick		And darkness has turned to gray
And (2)	of you	Watching through windows
Caught up in circles		You're wondering if I'm OK
Confusion is nothing new		Secrets stolen from deep inside
Flashback warm nights		The (6) beats out of time
Almost left behind		If you're lost you can look and you will find me
Suitcases of memories		Time after time
Time after		If you fall I will catch you I'll be (7)
Sometimes you picture me		Time after time
I'm walking too far ahead		You said go slow
You're (3)	to me	I fall behind
I can't hear what you've said		The second hand unwinds
Then you say go slow		If you're lost you can look and you will find me
I fall behind		Time after time
The second hand unwinds		If you fall I will (8) you I'll be waiting
If you're lost you can look and you will find me		Time after time
Time after time		If you're lost you can look and you will find me
If you fall I (4) catch you I'll be waiting		Time after (9)
Time after time		If you fall I (10) catch you I'll be waiting
If you're lost you can look and you will find me		Time after time
Time (5) time		Time after time (bis)
If you fall I will c	atch you I'll be waiting
