Miracle mile by Cold War Kids

All alone and I know I can't stay

Fill in the gaps

I was supposed to do great things	So I'm walking up and down the streets
I knew the road was long	To stay awake
But I wasn't raised to (1) for fame	Come up for air, come up for air, come up
I have the safety on	Come up for air, come up for air, come up
I cut my ties, I sold my rings	Come up for air, come up for air, come up
I wanted none of this	(7) up for air, come up for air, (8) up
If you start from scratch	Get outside, get all around the world
You'll have to sing	You'll learn to love what you get in return
Just for the fun of it	It may be problem and it may be peace of mind
I'd be alright if I could just see you	Put your head in countdown and breathe
-Come up for air, come up for air-	One breath at a time
A (2) mile, where (3) it lead to?	Come up for air, come up for air, come up
-Come up for air, come up for air-	Come up for air, come up for air, come up
I feel the air upon my face	Come up for air, come up for air, come up
Forget the mess I'm in	Come up for air, come up for air, come up
Hold me again, don't count mistakes	I'd be alright if I could just see you
I lost track of them	-Come up for air, come up for air-
I'd be (4) if I could just see you	A miracle mile, where does it lead to?
-Come up for air, come up for air-	-Come up for air, come up for air-
A miracle mile, where (5) it (6) to?	I'd be alright if I could just see you
-Come up for air, come up for air-	A miracle mile, where does it (9) to?
I was in the mud, I was in the dirt	
Went underground and I found what I was worth
