

Fill in the gaps

Is your secret (1) tonight?	We can hide the (16) inside
And are we out of sight?	(It could be wrong, could be wrong)
Or will our world (2) tumbling down?	But it should've been right
Will they (3) our hiding place?	(It could be wrong, could be wrong)
Is this our last embrace?	Let our hearts ignite
Or (4) the (5) start caving in?	(lt (17) be wrong, could be wrong)
(It (6) be wrong, could be wrong)	Are we digging a hole?
But it should've been right	(It could be wrong, (18) be wrong)
(It could be wrong, (7) be wrong)	This is outta control
Let our hearts ignite	(It could be wrong, (19) be wrong)
(It could be wrong, could be wrong)	It could never last
Are we (8) a hole?	(It could be wrong, could be wrong)
(It (9) be wrong, could be wrong)	Must erase it fast
This is outta control	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	But it could've (20) right
It could never last	(It could be wrong, could be)
(It could be wrong, could be wrong)	Love is our resistance!
Must (10) it fast	They (21) us apart and won't stop
(It could be wrong, could be wrong)	(22) us down
But it could've been right	And hold me, our lips must always be sealed
(It could be wrong, (11) be)	The (23) has reached its end
Love is our resistance	We can't pretend
They keep us (12) and they won't stop	We must run
(13) us down	We must run
And hold me, our lips must always be sealed	It's time to run
If we live our (14) in fear	Take us away from here
I'll wait a (15) years	Protect us from further harm
Just to see you smile again	Resistance!
Quell your prayers for love and peace	
You'll wake the thought police
