

Fill in the gaps

Here we are with our backs against the wall	We are, we are,
We've got big city dreams	We are gonna come together
But we don't move from the asphalt	We are gonna come together, now
We run away from our own imagination	We are gonna run together
But at the same time we got (1) amazing	We're gonna (16) it upside down
fascination	Because (17) the smoke in the mirror
We've got hopes on the horizon	I can't see your face
We can't stop climbing the mountain	So let's run to the fire escape
We're (2) and tired of keeping silent	Come together
We are, we are,	We are gonna come together, now
We are gonna come together	(18) let go, it's a free fall
We are gonna (3) together, now	We're almost home, it's a (19) fall
We are (4) run together	We are gonna (20) together
We're gonna turn it upside down	We are gonna come together, now
(5) (6) the smoke in the mirror	We are gonna run together
I can't see your face	We're gonna turn it upside down
So let's run to the fire escape	We are (21) come together
Come together	We are gonna come together, now
We are gonna come together, now	We are gonna run together
Who are they?	We're (22) (23) it upside down
(7) their so-called innovations	Because with the smoke in the mirror
They hold on like they've found	I can't see (24) face
Their own salvation	So let's run to the fire escape
(8) shy (9) (10) the	(25) together
(11) alteration	We are gonna come together, now
But at the same time we got the same fascination	
We've got (12) on the horizon	
We can't stop from climbing the mountain	
We're (13) and (14) of	
(15) silent
