# Fill in the gaps

## Come together by Echosmith

Here we are with our backs against the wall
We've got big city dreams
But we don't (1)_____ from the asphalt
We run away (2)_____ our own imagination
But at the same time we got this amazing fascination
We've got hopes on the horizon
We can't stop climbing the mountain
We're sick and tired of keeping silent
We are, we are, we are,
We are gonna come together
We are gonna come together, now
We are (3)_____ run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see (4)_____ face
So let's run to the fire escape
(5)_____ together
We are gonna come together, now
Who are they?
With their so-called innovations
They hold on like they've found
Their own salvation
They shy away from the slightest alteration
But at the same time we got the same fascination
We've got hopes on the horizon
We can't stop from climbing the mountain
We're sick and tired of keeping silent
We are, we are, we are,
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the fire escape
Come together
We are gonna come together, now
Just let go, it's a free fall
We're almost home, it's a free fall
We are gonna come together
We are gonna (6)_____ together, now
We are gonna run together
We're gonna (7)_____ it upside down
We are (8)_____ come together
We are (9)_____ come together, now
We are gonna run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the (10)_____ escape
Come together
We are gonna come together, now

# Fill in the gaps

Answer

1. move
