

## Fill in the gaps

I wanna be drunk when I wake up	You see the flicker of the clip when they light up
On the (1) side of the (2) bed	Flames just create us
And every (3) I (4) up	Burns don't heal like before
(5) you the truth I hate	You don't hold me anymore
What didn't (6) me	On (25) days Coldplay's out like the band's name
It never (7) me stronger at all	I know I can't heal things with a (26) shake
(8) will scar your make-up lip sticks to me	You know I can't change as I began saying
So now I'll maybe leave (9) there	You cut me (27) open like landscape
I'm sat here (10) I was sober	Open bottles of beer but never champagne
I (11) I'll never (12) you like I used to	We'll applaud you with the sound that my hands make
But our house (13) cold when you cut the heating	Should I, should I?
Without you to hold I'll be freezing	Maybe I'll get drunk again
Can't (14) on my (15) to beat it	I'll be drunk again
Because you take (16) of it every evening	I'll be drunk again
(17) words out of my mouth just from breathing	To (28) a little love.
(18) with (19) like when	All by myself
you're (20) me	I'm here again
Should I, should I?	All by myself
Maybe I'll get (21) again	You know I'll never change
I'll be drunk again	All by myself
I'll be drunk again	All by myself
To feel a little love	I'm just drunk again
I wanna (22) your heart in both hands	I'll be (29) again
I'll (23) it fizzle at the bottom of a Coke can	I'll be drunk again
And I've got no (24) for the weekend	To feel a little love
So shall we speak then	
Keep it between friends	
Though I know you'll never love me like you used to.	
There maybe other people like us
