

Fill in the gaps

You're just a small bump unborn		And I (15) you tightly
In four (1)	you're brought to life	I'll (16) you nothing but truth
Might be left with my hair		If you're not inside me
But you'll have your mother's eyes		I'll put my (17) in you
I'll hold your body in my (2)		You are my one, and only
I'll be as gentle as I can		And you can wrap your fingers (18) my thumb
But for now you scan on r	ny unmade plans	
Small bump in four (3) you're brought to life		And (19) me tight
And I (4) quietly		You'll be alright
I'll give you nothing but truth		And you can lie (20) me
If you're not (5)	me	With (21) tiny feet when you're half asleep
I'll put my future in you		But if you be (22) in front of me for a couple
You are my one, and only		weeks
You can wrap your fingers around my thumb		So I can keep you safe
And hold me tight		Because you are my one, and only
You are my one, and only		And you can wrap (23) fingers around my thumb
You can wrap (6) fingers around my thumb		And hold me tight
And (7) me tight		You are my one, and only
You'll be (8)		And you can wrap your fingers (24) my thumb
You're just a small (9)	unknown	
You (10) (11)_	your skin	And (25) me tight
With a smile like hers		You'll be alright
And a dimple beneath your chin		Because you're (26) a small bump unborn
Finger nails the size of a half grain of rice		But four (27) then torn from life
And (12)	closed to be soon	Maybe you were needed up there
(13) wide		But (28) still (29) as why
Small bump in four month	s you'll open (14) eyes
