Fill in the gaps

Bulletproof Heart by My Chemical Romance

Gravity
Don't (1)_____ too (2)_____ to me
I'm who I've got to be
These pigs are after me,
After you
Run away,
Like it was yesterday
And we could run away
If we could run away,
Run away from here
I got a (3)_____ heart
You got a hollow point smile
Me and your runaway scars,
Got a photograph dream on the getaway mile
Let's blow a hole in this town
Too much talking with the laser blade
Gunnin' out of this place in a bullet's embrace
Then we'll do it again
How can they say,
"Jenny could you come back home?"
'Cause (4)_____ knows you don't
Ever wanna come back,
let me be the one to save you
Gravity
Don't mean too much to me
I'm who I've got to be
These pigs are after me,
After you
Run away
Like it was yesterday
When we could run away,
When we could run away,
Run away from here
I'm shootin' out of this moon
Because I sure don't like the company
Stop your preaching right there
'Cause I (5)_____ don't care and I'll do it again
So get me out of my head
'Cause it's getting kinda cramped, you know
Coming ready or not, when the motor gets hot
We can do it again.
The papers say,
"Johnny won't you come (6)_____ home?"
'Cause everyone knows you don't
Want to give up yourself, then tell the truth
And God (7)_____ save you
Gravity
Don't mean too much to me
I'm who I've got to be
These pigs are (8)_____ me,
After you
Run away
Like it was yesterday
And we could run away,
If we could run away,
Run away from here
And though I know how much you hate this
Are you gonna be the ones to save us?
From the black and hopeless feeling?
Will you mean it when the end comes reeling?
Hold your heart into (9)_____ darkness
Will it (10)_____ be the light to shine you out
Or fall and leave you stranded
I ain't gonna be the one left standing
You ain't gonna be the one left standing
We ain't gonna be the ones left standing
Gravity
Don't mean too much to me
Is this our destiny?
This world is after me,
After you
Run away
Like it was yesterday
And we could run away,
Run away, run away,
Run away from here
Yeah, away from here
Away from here

Fill in the gaps
