Bulletproof Heart by My Chemical Romance

Gravity	We can do it again.
Don't mean too much to me	The papers say,
I'm who I've got to be	"Johnny won't you come back home?"
These pigs are after me,	'Cause everyone knows you don't
After you	Want to give up yourself, then tell the truth
Run away,	And God will save you
Like it was yesterday	Gravity
And we could run away	Don't mean too much to me
If we could run away,	I'm who I've got to be
Run away (1) here	These (9) are after me,
I got a bulletproof heart	After you
You got a hollow (2) smile	Run away
Me and your (3) scars,	Like it was yesterday
Got a photograph dream on the getaway mile	And we could run away,
Let's blow a hole in this town	If we could run away,
Too much talking with the laser blade	Run away from here
Gunnin' out of this place in a bullet's embrace	And though I know how much you hate this
Then we'll do it again	Are you gonna be the ones to save us?
How can they say,	From the black and hopeless feeling?
"Jenny could you (4) back home?"	Will you mean it when the end comes reeling?
'Cause everybody knows you don't	Hold your heart into this darkness
Ever (5) come back,	Will it ever be the light to shine you out
let me be the one to save you	Or fall and leave you stranded
Gravity	I ain't gonna be the one left standing
Don't mean too much to me	You ain't gonna be the one left standing
I'm who I've got to be	We ain't gonna be the ones left standing
These pigs are after me,	Gravity
After you	Don't mean too much to me
Run away	Is this our destiny?
Like it was yesterday	This world is after me,
When we could run away,	After you
When we could run away,	Run away
Run away from here	Like it was yesterday
I'm shootin' out of this moon	And we could run away,
Because I (6) don't like the company	Run away, run away,
Stop your (7) right there	Run away from here
'Cause I (8) don't care and I'll do it again	Yeah, away from here
So get me out of my head	Away from here
'Cause it's getting kinda cramped, you know	
Coming ready or not, when the motor gets hot
