Home by Edward Sharpe and The Magnetic Zeros

Alabama, Arkansas	Take me home
I do love my ma and pa	Daddy, I'm coming home
Not the way that I do love you	- Jade
Holy Moley!, me, oh my	- Alexander
You're the apple of my eye	- Do you remember that day you fell out of my window?
Girl I've never loved one like you	- I sure do, you came jumping out after me.
Man, oh man you're my best friend	- Well, you fell on the concrete, nearly broke your ass
I scream it to the nothingness	and you were bleeding all over the place and
There ain't (1) that I need	I rushed you out to the hospital, you remember that?
Well, hot and heavy (2) pie	- Yes I do.
Chocolate candy, Jesus Christ	- Well there's something I never told you about that night.
Ain't nothing please me more than you	- What didn't you tell me?
Ah, home, let me go home	- While you were sitting in the backseat
Home is wherever I'm with you	smoking a cigarette you thought was (6) be
Ah home, let me (3) home	your last,
Home is wherever I'm with you	I was falling deep, deeply in love with you,
Take me home	and I never told you till just now
Mother, I'm coming home	Ah home, let me go home
I'll follow you into the park	Home is wherever I'm with you
Through the jungle through the dark	Ah home, let me come home
Girl I never loved one like you	Home is where I'm alone with you
Moats and boats and waterfalls	Home, let me come home
Alleyways and pay phone calls	Home is wherever I'm with you
I've been everywhere with you	Ah home, yes I am home
That's true	(7) is (8) I'm alone with you
Laugh until we think we'll die	Alabama, Arkansas
Barefoot on a summer night	I do (9) my ma and pa
Never could be sweeter than with you	Moats and boats and waterfalls
And in the streets you're running free	Alley ways and pay phone calls
Like it's only you and me	Ah home, let me go home
Jeez! you're something to see	Home is (10) I'm with you
Ah home, let me go home	Ah home, let me come home
Home is wherever I'm (4) you	Home is where I'm alone with you
Ah home, let me (5) home	
Home is wherever I'm with you
