And I'm thinkin' what's the deal?	You're not, getting any (14) tonight
With the facts that they conceal.	(Getting any sleep, Getting any sleep)
And I'm thinkin' what's the harm	You're not, getting any sleep tonight
In a bit of rhetoric encharm	(Getting any sleep, (15) any sleep)
And I can't (1) comprehend	You're not, (16) any sleep tonight
A beginning or an end	Well then bark our angry voice to the sun
No I can't quite stomach this	Or are we ninety million miles
Now	From anything or anyone?
You and me, we're gonna take	What are we (17) for? [x3]
To the skies for a (covet/cover?) sake	YEAH!
Fly (2) the (3) clouds	[Chorus:]
Twenty-thousand feet we'll crack the clouds	(All I'm trying to say is)
From (4) (5) (6) leak	You're not, getting any sleep tonight
the lies	You're not, (18) any sleep tonight
And unveil the damaged skies	(Getting any sleep, Getting any sleep)
Cause we can't (7) (8) this	You're not, (19) any sleep tonight
[Chorus:]	(Getting any sleep, Getting any sleep)
(All I'm trying to say is)	You're not, (20) any sleep tonight
You're not, getting any sleep tonight	Well then bark our angry voice to the sun
You're not, (9) any sleep tonight	Or are we ninety million miles
(Getting any sleep, Getting any sleep)	From anything or anyone?
You're not, getting any sleep tonight	Just like the (indistinct) and we won't be the same (fake?
(Getting any sleep, Getting any sleep)	anymore
You're not, getting any sleep tonight	(Indistinct) resistance without the species (and this is floored?
Sun and secrets power us	[Chorus:]
No longer cower in (10) lust	(All I'm trying to say is)
(indistinct) is still a stain	You're not, (21) any sleep tonight
Of the dangers of this game	You're not, (22) any sleep tonight
I (11) can't quite comprehend	(Getting any sleep, Getting any sleep)
A beginning or an end	You're not, getting any (23) tonight
No I can't (12) stomach this	(Getting any sleep, Getting any sleep)
[Chorus:]	You're not, getting any sleep (24)
(All I'm trying to say is)	
You're not. (13) any sleep tonight
