Finally found you by Enrique Iglesias

You know I'm gonna get you, yeah	That I finally found, I (6) found you
Whatever it takes to get there	I finally found, I finally found you
No, I won't (1) you	So can't get love
Like everybody else does	Too much to ask for, really so tough
Forget about your friends they don't care where we go	Find (7) moving
If they do we'll get lost in a crowd of people	With the sex of the drums
I've been looking for you forever	Got my hands full grabbing all these girls girls
Baby we go together baby we go, we go	Hands up hands up
In this crazy world of choices I've only got a few	Dance floor chilling while I hold 2 cups
Either you're coming with me, or I'm coming with you	Can't stop spilling because I'm drunk as **
Because I finally found, I finally found you	And my song comes on and the club goes nuts
You'll never have to worry if what I say is true	Every province I go, city I sleep
Girl I've been looking for you	It's best that y'all know
And when I saw you I knew	Running around and doing all (8) shows
That I finally found, I finally (2) you	(9) the whole globe, I come and you go girl
I'm coming to get you	And you need to think of it
We have a connection, that's right	Just arrive for the night, baby, live a bit
This girl I'm not letting go	Whit a place to hit
I'm gonna make you feel right	And your pants to zip
Forget about your (3) they don't care	Come make this thing a party, are you into it?
where we go	In this crazy world of choices I've only got a few
If they do we'll get lost in a crowd of people	Either you're coming with me, or I'm coming (10)
I've (4) looking for you forever	you
Baby we go together baby we go, we go	Because I finally found, I finally found you
In this crazy world of choices I've only got a few	Finally, finally found you
Either you're coming with me, or I'm coming with you	Finally, finally, finally found you
Because I finally found, I finally found you	Finally found, I finally found you
You'll never have to worry if what I say is true	You know I'm gonna get you
Girl I've been looking for you
