

## Fill in the gaps

(1) I was young	All by myself anymore
I never needed anyone	All by myself, don't (15) to be
And making (2) was just for fun	All by myself anymore
Those (3) are gone	All by myself, don't want to live
Living alone	All by myself anymore
I (4) of all the (5) I've known	(16) I was young
But (6) I (7) the telephone	I never needed anyone
Nobody's home	And making love was just for fun
All by myself, don't want to be	Those (17) are gone
All by (8) anymore	All by myself, don't (18) to be
All by myself, don't (9) to live	All by (19) anymore
All by myself anymore	All by myself, don't (20) to live
(10) to be sure	All by myself anymore
(11) I feel so insecure	All by myself, don't (21) to be
And (12) so distant and obscure	All by (22) anymore
Remains the cure	All by myself, don't (23) to live
All by myself, don't (13) to be	All by myself anymore
All by myself anymore	
All by myself, don't (14) to live
