Lose Yourself by Eminem

Fill in the gaps

To seize everything you ever wanted in one
(1)
Would you capture it, or just let it slip? Yo
His palms are sweaty, knees weak, arms are heavy
There's vomit on his (2) already, mom's
spaghetti
He's nervous, but on the surface he looks calm and ready
To drop bombs, but he keeps on forgettin'
What he (3) down, the whole crowd goes so
loud
He opens his mouth, but the words won't come out
He's chokin' how, everybody's chokin' now
The clocks runs out, time's up, over. Blow!
Snap back to reality, oh, there goes gravity
Oh, there goes Rabbit, he choked, he's so mad
But he won't give it up that easy, no, he won't beat it
He knows his whole back's to these ropes, it don't matter, he's
dope
He knows that, but he's broke, he's so stagnant that he knows
,
When he goes back to his mobile home, that's when it's
Back to the lab again, yo, this whole rhapsody,
He better go capture this (4) and hope it don't
pass him
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
The soul's escaping (5) this hole that is
5 (1)
gaping
gaping This world is mine for the taking, make me king
This world is mine for the taking, make me king
This world is mine for the taking, make me king As we move toward a new world order
This world is mine for the taking, make me king As we move toward a new world order A normal life is boring, but superstardom's
This world is mine for the taking, make me king As we move toward a new world order A normal life is boring, but superstardom's Close to post-mortem, it only grows harder,
This world is mine for the taking, make me king As we move toward a new world order A normal life is boring, but superstardom's Close to post-mortem, it only grows harder, Only grows hotter, he blows us all over,
This world is mine for the taking, make me king As we move toward a new world order A normal life is boring, but superstardom's Close to post-mortem, it only grows harder, Only grows hotter, he blows us all over, These hoes is all on him coast to coast shows,
This world is mine for the taking, make me king As we move toward a new world order A normal life is boring, but superstardom's Close to post-mortem, it only grows harder, Only grows hotter, he blows us all over, These hoes is all on him coast to coast shows, He's known as the globetrotter lonely roads, god only
This world is mine for the taking, make me king As we move toward a new world order A normal life is boring, but superstardom's Close to post-mortem, it only grows harder, Only grows hotter, he blows us all over, These hoes is all on him coast to coast shows, He's known as the globetrotter lonely roads, god only Knows he's grown farther from home he's no father,

Is told and unfolds, I suppose it's old partner
But the beat goes on da da dum da dum da da

You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes (7) in a lifetime
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
No more games, I'm a change what you call rage
Tear this motherfuckin' roof off like 2 dogs caged
I was playin' in the beginnin', the mood all changed
I been chewed up and (8) out and booed off stage
But I kept rhymin' and (9) right in the nex
cypher
Best believe somebody's payin' the (10) piper
All the pain inside amplified by the
Fact that I can't get by with my nine to
Five and I can't provide the right type of
Life for my family 'cuz, man, these goddamn
Food stamps don't buy diapers and there's no movie,
There's no mekhi phifer, this is my life,
And these times are so hard and it's getting even harder
Tryin' to feed and water my seed, plus teetertotter
Caught up between bein' a father and a prima donna
Baby mama drama screamin' on and too much for me to
wanna
Stay in one spot, another day of monotony
Has gotten me to the point I'm like a snail I've got
To formulate a plot or end up in jail or shot
Success is my only mothafuckin' option, failure's not
Mom, I love you, but this trailer's got to go
I cannot grow old in salem's lot
So here I go, it's my shot, feet fail me not
This may be the only opportunity that I got
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
You better
