| Make me whole again                            |  |  |  |
|--|--|--|--|
| (1) your eyes                                  |  |  |  |
| Taunted by the shadows of your light           |  |  |  |
| Cold and far away                              |  |  |  |
| Like you're not even mine                      |  |  |  |
| Undo everything and take me higher             |  |  |  |
| Never believing what they say                  |  |  |  |
| Because I'm counting the days                  |  |  |  |
| To meet you on the other side                  |  |  |  |
| I will always be waiting                       |  |  |  |
| Until the day that I see you on the other side |  |  |  |
| (2) and take me home                           |  |  |  |
| I'm not giving in                              |  |  |  |
| I want you back                                |  |  |  |
| Holding together by the shards of our past     |  |  |  |
| Stole my heart away                            |  |  |  |
| I can't let you go                             |  |  |  |
| (3) these chains and let me fly to you         |  |  |  |
| High above the world below                     |  |  |  |
