

## Fill in the gaps

Your face is all I ever see on (1) crowded street	If I die tonight at least I left a legacy
(2) no one is watching	If I die tonight at least I left a legacy
You don't care to act a fool with me	If the (6) go out I'm forever in your memory
You make me dance in public	If I die tonight at least I left a legacy
Tripping on my own two feet	Your face is all I ever see on this crowded street
Just like a drum	Like no one's watching
My heart is jumping like a trampoline	You don't care to act a fool with me
Know how to wash away my worries	You (7) me (8) in public
Like the (3) sea	Tripping on my own two feet
Having a good time, living on the edge of my seat	Just like a (9)
It's raining lava got me sweating	My heart is jumping (10) a trampoline
I can feel the heat	If I die tonight at least I left a legacy
The fire's ragging	If I die tonight at least I left a legacy
No telling what's about to come for me	If the lights go out I'm forever in your memory
If I die tonight at least I left a legacy	If I die tonight at least I left a legacy
If I die tonight at least I left a legacy	If I die tonight at least I left a legacy
If the lights go out I'm forever in your memory	If I die tonight at least I left a legacy
If I die tonight at (4) I left a legacy	If the lights go out I'm forever in your memory
It's true the eyes are the windows of a person's soul	If I die tonight at least I left a legacy
It's (5) I'm staring in the mirror when I look at you	If I die tonight at least I left a legacy
I'll turn the heavens down, if the devil came for you	
I'd rather go through hell or high waters, yeah it's true
