And all this devotion was rushing out of me

-Rushing out of me-

Fill in the gaps

Never let me go by Florence + The machine

Looking up (1) underneath	And the questions I haven't for a sinner like me
Fractured moonlight on the sea	But the arms of the ocean deliver me
Reflections (2) look the same to me	And it's over and I'm going under
As before I went under	But I'm not giving up
And it's peaceful in the deep	I'm just giving in
(3) either way you (4)	Oh, slipping underneath
breathe	So cold and so sweet
No need to pray, no need to speak	In the (8) of the ocean, so sweet and so cold
Now I am under	And all this devotion, I never knew at all
Oh, and it's breaking over me	And the questions I haven't for a sinner released
A thousand miles out to the sea bed	But the arms of the ocean deliver me
Found the place to (5) my head	-Never let me go, never let me go-
-Never let me go, never let me go-	-Never let me go, never let me go-
-Never let me go, (6) let me go-	Deliver me
And the arms of the ocean are carrying me	-Never let me go, never let me go-
And all this devotion was rushing out of me	-Never let me go, never let me go-
And the questions I haven't for a sinner like me	-Never let me go, never let me go-
But the arms of the ocean deliver me	Deliver me
Although the pressure's hard to take	-Never let me go, never let me go-
It's the only way I can escape	-Never let me go, never let me go-
It seems a heavy choice to make	Deliver me
But now I am under oh	-Never let me go, never let me go-
And it's breaking over me	And it's over
A thousand miles down to the sea bed	I'm going under
I (7) the place to rest my head	But I'm not giving up
-Never let me go, never let me go-	I'm just giving in
-Never let me go, never let me go-	Slipping underneath
And the arms of the ocean are carrying me	So cold and so sweet
-So cold and so sweet-
