Breath of life by Florence + The machine

I was looking for a breath of the life		I was looking for a (5)	of the life
For a little touch of a heavenly light		A little touch of a heavenly light	
But all the choirs in my head sang: No		But all the choirs in my head sang: N	lo
To get a (1) of the life again		It's a harder way and it's come to cla	im her
A little vision of the sun at the end		And I always say, we should be together	
But all the choirs in my head sang: No		I can see the look, (6)_	it's
But I needed a one more touch		(7) ending	
Another taste of a (2)	rush	And if you are gone, I will not belong	here
And I believe, I believe it so		(8) here, belong here	е
Who's side am I on?		And I started to heart it again	
Who's side am I?		But this time it wasn't the end	
Who's (3) am I on?		And the room is so quiet oh	
Who's side am I?		And my heart is a (9)	plain
And the fever began to spread		For the devil to dance again	
(4) my heart down to my legs		And the room is too quiet	
But the moon is so quiet oh		I was looking for the breath of the life	•
And although I wasn't losing my mind		A little touch of a heavenly ligth	
It was a call was so sublime		But all the (10) in my	/ head sang: No
But the room is too quiet oh
