Fill in the gaps

Breath of life by Florence + The machine

I was looking for a (1)) of the life	I was looking for a breath of the life
For a (2)	touch of a (3)	_ A little (8) of a heavenly light
light		But all the (9) in my head sang: No
But all the (4)	in my head sang: No	It's a (10) way and it's (11) to
To get a dream of the (5) again		claim her
A little vision of the su	in at the end	And I always say, we (12) be together
But all the choirs in my head sang: No		I can see the look, because it's something ending
But I needed a one more touch		And if you are gone, I will not belong here
Another taste of a heavenly rush		(13) here, belong here
And I believe, I believe it so		And I started to heart it again
Who's (6)	am I on?	But this (14) it wasn't the end
Who's side am I?		And the room is so quiet oh
Who's side am I on?		And my heart is a (15) plain
Who's side am I?		For the (16) to dance again
And the fever began to spread		And the room is too quiet
From my (7)	down to my legs	I was (17) for the breath of the life
But the moon is so quiet oh		A little touch of a heavenly ligth
And although I wasn't losing my mind		But all the (18) in my head (19)
It was a call was so sublime		No
But the room is too qu	uiet oh
