-I'm leaving-

Fill in the gaps

Breath of life by Florence + The machine

I was looking for a breath of the life	I was looking for a breath of the life
For a little touch of a heavenly light	A little touch of a heavenly light
But all the (1) in my (2) sang: No	But all the choirs in my (8) sang: No
To get a dream of the (3) again	It's a harder way and it's come to claim her
A little vision of the sun at the end	And I always say, we should be together
But all the choirs in my head sang: No	I can see the look, because it's something ending
But I needed a one more touch	And if you are gone, I will not belong here
Another taste of a heavenly rush	Belong here, belong here
And I believe, I believe it so	And I started to heart it again
Who's side am I on?	But (9) time it wasn't the end
Who's side am I?	And the room is so quiet oh
Who's side am I on?	And my heart is a hollow plain
Who's (4) am I?	For the devil to dance again
And the fever began to spread	And the room is too quiet
From my (5) to my legs	I was looking for the breath of the life
But the moon is so quiet oh	A little touch of a heavenly ligth
And although I wasn't (7) my mind	But all the (10) in my head sang: No
It was a call was so sublime	
But the room is too quiet oh
