And we'll never be afraid again

Fill in the gaps

Spectrum by Florence + The machine

When we first came here	(bis x2)
We were cold and we (1) clear	And when we come back
With no colors on our skin	We'll be (7) in black
We were light and paper-thin	And you'll scream our names aloud
And when we first came here	And we won't eat and we won't sleep
We were cold and we were clear	We'll drag bodies from their graves
With no colors on our skin	So say my name
(2) you let the (3) in	And every color illuminates
Say my name	And we are shining
And every (4) illuminates	And we'll never be afraid again
We are shining	Say my name
And we'll (5) be afraid again	As (8) (9) illuminates
(bis x2)	Say my name
And when we come for you	And every color illuminates
We dressed up all in blue	We are shining
With the ocean in our arms	And we'll never be afraid again
Kiss your eyes and kiss your palms	(bis x2)
But when it's time to pray -better pray you all-	Say my name
We dressed up all in gray	We are shining
(6) metal on our tongues	Say my name
And silver in our lungs	Say my name
Say my name	And we'll never be afraid again
And every color illuminates	
We are shining
