

You've got the love

Fill in the gaps

You've got the love by Florence + The machine

Sometimes I (1) I throw my (2) up in	(DIS)
the air	Time after time I think "Oh Lord what's the use?"
I know I can count on you	Time after time I think it's just no good
Sometimes I feel like saying	(6) sooner or later in life
"Lord I just don't care"	The things you (7) you loose
But you've got the love I need	But you've got the love I (8)
To see me through	To see me through
Sometimes it seems the going is (3) too rough	You've got the love
And (4) go wrong no matter what I do	(bis)
Now and (5) it seems	(9) I feel I throw my hands up in the
That the life is just too much	air
But you've got the love I need	Because I (10) I can count on you
To see me through	Sometimes I feel like saying
When food is gone you are my daily meal	"Lord I just don't care"
When friends are gone	You've got the love I need to see me through
I know my savior's love is real
