

You've got the love

Fill in the gaps

You've got the love by Florence + The machine

Sometimes I (1) I throw my hands up in the air	(DIS)
I know I can count on you	(5) after time I think "Oh Lord what's the use?"
Sometimes I feel like saying	Time after time I think it's just no good
"Lord I just don't care"	Because (6) or later in life
But you've got the (2) I need	The (7) you love you loose
To see me through	But you've got the (8) I need
Sometimes it seems the going is just too rough	To see me through
And things go wrong no matter what I do	You've got the love
Now and (3) it seems	(bis)
That the (4) is just too much	Sometimes I (9) I throw my hands up in the air
But you've got the love I need	Because I know I can count on you
To see me through	Sometimes I feel like saying
When food is gone you are my daily meal	"Lord I just don't care"
When friends are gone	You've got the love I need to see me through
I know my savior's love is real	
You know is real
