Fill in the gaps

Drumming song by Florence + The machine

There's a drumming noise inside my head	But as the water fills my mouth
That (1) when you're around	It couldn't wash the echoes out
I swear that you could hear it	But as the water fills my mouth
It makes such an almighty sound	It couldn't wash the echoes out
There's a drumming noise inside my head	I swallow the sound and it swallows me whole
That throws me to the ground	Till there's nothing left inside my soul
I swear that you should hear it	As empty as that (7) drum
It makes such an almighty sound	But the sound has just begun
Louder than sirens	As I move my feet towards your body
Louder than bells	I can hear this beat it fills my head up
Sweeter than heaven	And gets louder and louder
And hotter than hell	It (8) my head up and gets louder and louder
I ran to a tower where the church bells chime	There's a drumming noise inside my head
I hoped that they would clear my mind	That starts when you're around
(2) left a ringing in my ear	I swear that you could hear it
But that drum's still beating loud and clear	It makes such an almighty sound
Louder than sirens	There's a (9) noise (10)
Louder than bells	my head
Louder than bells Sweeter than heaven	my head That starts when you're around
