Fill in the gaps

You're Gonna Go Far Kid by The Offspring

Show me how to lie	And now (8) (9)	the way
You're getting better all the time	Show the light of day	
And turning all against the one	Nice work you did	
Is an art that's (1) to teach	You're gonna go far, kid	
Another clever word	Trust, deceived!	
Sets off an unsuspecting herd		
And as you get back into line	With a thousand lies	
A mob jumps to their feet	And a good disguise	
	Hit 'em right between the eyes	
Now dance, f**ker, dance	Hit 'em right between the eyes	
Man, he never had a chance	When you walk away	
And no one even knew	Nothing more to say	
It was really only you	See the lightning in your eyes	
	See 'em running for their lives	
And now you steal away		
Take him out today	Now dance, f**ker, dance	
Nice work you did	He never had a chance	
You're gonna go far, kid	And no one even knew	
	It was really only you	
With a thousand lies		
And a good disguise	So dance, f**ker, dance	
Hit 'em right (2) the eyes	I never had a chance	
Hit 'em right between the eyes	It was really only you	
When you (3) away		
Nothing more to say	With a thousand lies	
See the lightning in your eyes	And a good disguise	
See 'em running for their (4)	Hit 'em right between the eyes	
	Hit 'em right between the eyes	
Slowly out of line	When you walk away	
And drifting closer in (5) sights	Nothing more to say	
So play it out I'm wide awake	See the lightning in your eyes	
It's a scene about me	See 'em running for their lives	
There's something in your way		
And now someone is gonna pay	Clever alibis	
And if you can't get what you (6)	Lord of the flies	
Well it's all because of me	Hit 'em right between the eyes	
	Hit 'em right between the eyes	
Now dance, f**ker, dance	When you walk away	
Man, I never had a (7)	Nothing more to say	
And no one even knew	See the lightning in your eyes	
It was really only you	See 'em running for their lives	

- 1. hard
- 2. between
