

Fill in the gaps

So you're tired but you're alive	inside this moment, no sun rising
So open up your eyes	Wait until I fly
And you can get your (1) when you are dead	-New horizons-
Kill the clock inside your head	Wait until I fly
(2) your normalcy	-New horizons-
To the edge and (3) it drown	When the times keep (8) wrong
In new horizons, new horizons	And we go right
You said I only had to wait until I die	(9) the times keep going wrong
And that's no (4)no time-	And we go right
How did we come to thinking this was funny	-Wait-
Jeering and laughing at the dying	You said I only had to wait until I die
While we're writing a line in you	-New horizons-
-Wait-	There is no such thing as time
You said I only had to wait (5) I die	Inside this moment, no sun rising
-New horizons-	Wait until I fly
There is no such thing as time	-New horizons-
Inside this moment, no sun rising	I need you, now
Wait until I fly	-Wait until I fly-
-New horizons-	-New horizons-
Wait until I fly	-Wait until I fly-
-New horizons-	-New horizons-
Sin with the conquest (6)	There is no such thing as time
Flies in with a new quest	Inside this moment, no sun rising
Here's a voice for the voiceless	Wait until I fly
And a song for the soulless	When the times keep going wrong
Life flies in	And we go right
-Wait-	We go right
You (7) I only had to wait until I die	
-New horizons-	
There is no such thing as time
