

Fill in the gaps

So you're tired but you're alive	Inside this moment, no sun rising
So (1) up your eyes	Wait until I fly
And you can get your (2) when you are dead	-New horizons-
Kill the clock inside your head	Wait (14) I fly
(3) your normalcy	-New horizons-
To the edge and (4) it drown	When the times (15) going wrong
In new horizons, new horizons	And we go right
You said I only had to (5) until I die	When the (16) keep going wrong
And that's no time -no time-	And we go right
How did we come to thinking this was funny	-Wait-
Jeering and laughing at the dying	You said I (17) had to (18)
While we're (6) a (7) in you	(19) I die
-Wait-	-New horizons-
You (8) I only had to wait until I die	There is no (20) thing as time
-New horizons-	Inside (21) moment, no sun rising
(9) is no such thing as time	Wait (22) I fly
Inside this moment, no sun rising	-New horizons-
Wait until I fly	I need you, now
-New horizons-	-Wait until I fly-
(10) until I fly	-New horizons-
-New horizons-	-Wait until I fly-
Sin (11) the conquest life	-New horizons-
Flies in with a new quest	There is no (23) (24) as time
Here's a voice for the voiceless	(25) this moment, no sun rising
And a (12) for the soulless	Wait (26) I fly
Life flies in	When the times (27) (28) wrong
-Wait-	And we go right
You said I only had to wait until I die	We go right
-New horizons-	
There is no such (13) as time
