

Fill in the gaps

So you're tired but you're alive		Inside this moment, no sun rising
So (1) up your eyes		Wait (8) I fly
And you can get your sleep when you are dead		-New horizons-
Kill the clock inside your head		Wait until I fly
Bring your normalcy		-New horizons-
To the edge and watch it drown		When the times keep going wrong
In new horizons, new horizons		And we go right
You (2) I only had to wait (3)	_ I die	When the times keep going wrong
And that's no time -no time-		And we go right
How did we come to thinking this was funny		-Wait-
(4) and laughing at the dying		You (9) I only had to wait until I die
While we're writing a line in you		-New horizons-
-Wait-		There is no such thing as time
You said I only had to wait (5) I die		Inside this moment, no sun rising
-New horizons-		Wait until I fly
There is no such thing as time		-New horizons-
Inside this moment, no sun rising		I need you, now
Wait until I fly		-Wait until I fly-
-New horizons-		-New horizons-
Wait until I fly		-Wait until I fly-
-New horizons-		-New horizons-
Sin with the conquest life		There is no such thing as time
Flies in with a new quest		Inside (10) moment, no sun rising
Here's a voice for the voiceless		Wait until I fly
And a song for the soulless		When the times keep going wrong
Life flies in		And we go right
-Wait-		We go right
You said I only had to (6) until I die		
-New horizons-		
There is no (7) thing as time
