

## Fill in the gaps

Hey ye, hey ye	Something as simple as rock & roll would (13) us
Friends and roman country man	all
Hey ye, hey ye	Now who'd had thought, that (14) all
Punks and (1) and journey man	It was rock & roll
Hey ye, hey ye	I (15) believe
My sisters and my brother and	-I (16) believe-
The time is (2) near	In the saints
Come ye, come ye	Yes in Jerry Lee and Johnny and all the greats
To sole less corporate circus stops	And I still believe
Come ye, (3) ye	-I still believe-
To toilet circling touring stops	In the sound
Come ye, (4) ye	(17) has the (18) to raise a temple
To bedrooms, bars and bunker swots	and (19) it down
The sound is ringing clear	And I still believe
Now who'd had thought, that (5) all	-I still believe-
Something as simple as rock & roll (6) save us	In the need
all	For (20) and drums and desperate poetry
Now who'd of thought, (7) after all	And I still believe
It is rock & roll	-I still believe-
Hey ye, hey ye	That everyone
Now anybody could take this stage	Can find a song for every time they've (21)
Hey ye, hey ye	And every time they've won
And make miracles for (8) wage	Just remember folks we're not just (22) lives
Hey ye, hey ye	We're (23) souls
These folk songs of the (9) age	We're having fun
Will hold us all in their arms	And I still believe
Right here, (10) now	Now who'd had thought that after all
Elvis brings his children home	Something as simple as rock & roll would save us all
Right here, right now	Now who'd had thought, that after all
You never had to feel alone	(24) so simple, something so small
Right here, (11) now	Who'd had thought, (25) all
Teenage kicks and grammar phones	It's rock & roll
We (12) them in our hearts	
Now who'd had thought, that after all
