

Bullet by Franz Ferdinand

Fill in the gaps

While I'm away
You can let the mask go down on you
Let the mask do what I do
If I was there
You'd better explain
That I have a vendetta in my narrow bones
I have a vindictive eye
Over jealousy, I (1)_____ no control
I (2)_____ get your bullet out of my head now, baby
I never get your bullet out of my mind
I never get your bullet out of my head now, baby
I (3)_____ get (4)_____ bullet out of my mind
How can I get (5)_____ bullet out of my head now?
I have no control, but I try, yeah, I try
I better explain that I have
A red vendetta in my narrow bones

And a wicked, indicative eye
Over yellow jealousy
I (6)_____ no control, no control
I never get your bullet out of my head now, baby
I never get your bullet out of my mind
I never get your bullet out of my (7)_____ now, baby
I never get your bullet out of my mind
I get out of my head
I get out of my head now
I get out of my head
I get out of my (8)_____ now
I get out of my head
I get out of my head now
I get out of my head now
I get out of my mind
